All whom it may concern

Dear Colleagues!

The Russian Dance Sport Union (RDSU) places special emphasis on popularization of dance sport among students in order to involve youth into sports activities and participation in dance sport competitions.

For that purpose RDSU is organizing the first Russian DanceSport Students' Championship Standard, within a framework of which the WDSF Open DanceSport Students' Championship Latin will be held in Moscow on January 25th 2013 – the Russian national Students Day. The competition will become a part of a nation-wide celebration of the Russian Students Day and will contribute a lot to the promotion of dance sport, laying a foundation to the international dance sport students' movement. The championships will be held under the patronage and with the support of the International University Sports Federation (FISU) and the Russian Students Sports Union (RSSU).

On behalf of RDSU and the Organizing committee I am honored to invite couples and adjudicators from your countries to take part in the WDSF Open DanceSport Students' Championship. The official invitations will be sent shortly after receiving your confirmation of participation.

Preliminary program:

24.01.2013 - Qualification rounds: competition venue - Moscow, International Exhibition Center "CROCUS-EXPO", Universal Sports Arena "Aquarium";

25.01.2013 – Finals: competition venue - Moscow, the Moscow State University by M.V. Lomonosov;

Participants – students of Universities and Colleges or graduates of 2012 year.

We would greatly appreciate if you could consider participation in this event.

Sincerely yours,
RDSU Vice-President
RDSU Sports Director

Anastasia Titkova
